HEdLINE:

A Letter from the New ASAP Coordinator

Dear ASAP Members, Supporters, and Friends,

Wow- time flies! It’s hard to believe that I have already been serving as the ASAP Coordinator for almost four weeks. These last few weeks have been a whirlwind of excitement and learning. I want to take this opportunity to slow down and say a few things:

First of all, I’d like to express to all of you how EXCITED I am to serve in this leadership position with the coalition! My interest in tackling substance abuse largely stems from my passions in coalition and advocacy work. I, like all of you, am driven to make a positive change in my community and I am honored to work alongside all of you to do so in Pasco. I have always loved working with ASAP and I am thrilled to be able to to dedicate all of my working time to address community needs and advance community initiatives.

Although I have worked with ASAP as a community partner for the last 2 years, I realize I only know a handful of you very well. That being said, please consider attending the 6th Annual ASAP Brunch on December 4, 2014 from 10:00 AM – 11:30 AM at Spartan Manor in New Port Richey (more details within the newsletter). It will be a great opportunity to mingle while celebrating all of the success we’ve achieved in the last year.

Last but not least- I want to thank you for the warm welcome and well wishes! As probably all of you agree, I have massive shoes to fill. I therefore greatly appreciate all of you who have already reached out to me to offer support and advice.

Again, I greatly look forward to working with all of you and seeing you all on December 4! Until then- Happy Thanksgiving everyone!

Monica Rousseau,
ASAP Coordinator
MRousseau@PascoASAP.com
COMMUNITY CORNER

6th Annual ASAP Meeting and Holiday Brunch

You are Invited to the 6th ASAP Annual Meeting and Holiday Brunch!

When:
Thursday, December 4, 2014

**The Great Escape Race**

The Great Escape Obstacle Run will be held at the Land O’Lakes Detention Center on US 41 on December 6, 2014 beginning at 8:00AM. The Great Escape is a 12 obstacle course run with all proceeds benefitting Pasco Sheriff’s Office. If anyone is interested in having a team for their organization, please contact Heather O’Dell at Heather.O’Dell@BayCare.org. Register now at [www.pascosheriffcharities.com](http://www.pascosheriffcharities.com).

Runners receive T-Shirt, finishing medal, and mugshot photo taken after the race!

**Great American Smokeout**

The Great American Smokeout, sponsored by the American Cancer Society, is an annual event that encourages smokers to make a plan to quit, or to plan in advance and quit smoking on that day, in an effort to stop permanently (1). The 39th annual Great American Smokeout will be held on November 20, 2014.

In the 50 years since the first Surgeon General's report on smoking and health, cigarette smoking among U.S. adults has been reduced by half. However, more than 20 million persons have died because of smoking, the leading preventable cause of disease, disability, and death in the United States (2).

Nearly two out of three adult smokers want to quit smoking, and more than half had made a quit attempt in the preceding year (2). However, almost one out of five U.S. adults regularly uses one or more combustible tobacco products, such as cigarettes, cigars, pipes, and hookahs (3). Quitting smoking is beneficial to health at any age and has immediate and long-term benefits. Cutting back rather than quitting completely does not produce significant health benefits. Getting proven, effective help through counseling and medications can increase the chances of quitting successfully two- to three-fold (4).

Additional information and support for quitting is available by telephone (800-QUIT-NOW [800-784-8669]). CDC’s Tips from Former Smokers campaign features real persons living with the consequences of smoking-related diseases and offers additional quit resources at [http://www.cdc.gov/tips](http://www.cdc.gov/tips).

**SPOTLIGHT**

**Amendment 2 Defeated**

Although many polls over the last year indicated that Amendment 2 would pass, the last few weeks and days saw a great shift in popular opinion. Collectively, coalitions and citizens all over the state demonstrated the power of prevention when the amendment was halted a little less than 58% of popular vote. Congrats to all of you who championed this issue!

**Prescription Pill Drop a Success!**

Thank you to Heritage Pines, an active living 55+ neighborhood, for conducting a pill drop before the holidays! Over 140 pounds of medications were disposed of with the Pasco Sheriff’s Office!
